Adverting to G O No L 3807-10/ML 108-48-4 dated
14-10-1948 sanctioning the allotment of 10 acres of land to the
above Company for Textile purposes in the Northern Zone of the
Industrial Suburb, I have the honour to state that after the site
allotted to them was marked on the land, the Company was asked to
take steps to have possession of the land

2 In reply, they wrote to say on 20-1-1949 that the
land allotted to them was not for reasons stated by them suited for
putting up a Textile Mill and requested for allotment of 10 acres of
land on either side of the main road A copy of their application
is enclosed for favour of reference

3 This was referred to the Engineer Officer of the
Board for report The Engineer Officer in submitting a sketch
proposed two plots of the same area as marked on the plan as ABC
and DEFG A copy of the sketch is also enclosed for favour of
reference The new site now proposed is situated on both sides
of the 80' Link road and extends up to the Residential Extension
to the north and to the Chord Railway parallel road to the east and
south In fixing the southern boundary, provision is made for
shifting the Chord Railway line by about 100' to the north as con-
templated by the Railway Department due to the presence of a temple
in the centre of the present alignment The western boundary of
the newly proposed site is so fixed as to provide a total extent of

P T O

10 acres The Engineer Officer reports that this meets all the requirements of the applicants and that the plots proposed may be ~~a~~ allotted to them They are agreeable to take the plot as ~~relocated~~ ^{reassigned}

4 This was placed before the Board for consideration at its meeting held on 28-3-1949 and the Board after examining the sketch and the entire file of records on the subject passed the following resolution -

"RESOLVED that the prayer of M/s Yadalam Subbiah Setty & Sons be granted and the same be recommended to Government "

5 I accordingly request that as resolved by the Board, sanction of Government may kindly be obtained to the allotment of the two plots comprising in all 10 acres now proposed by the Engineer Officer and recommended by the Board instead of the plot of 10 acres originally sanctioned by Government

Yours faithfully,

CHAIRMAN,
C I Trust Board

Petition dated 20th January 1949 from Messrs Yaddalam Subbiah Setty & Sons, Proprietors, Sri Krishna Weaving Mills, Chickpet, Bangalore City, to the Chairman, City Improvement Trust Board, Bangalore City

With reference to the land allotted to us in the North Zone of the Industrial Suburb, we have to inform you that we have now inspected the same. We find that the land is not properly suited for putting up a Textile Mill with Northlight roofing under one floor. We may further bring to your kind notice that North light construction is absolutely essential as the various processes of the Mills should be carried on simultaneously under one levelled floor.

In view of the reasons stated above, we shall request you to kindly allot the same quantity of land on either sides of the main road

" ie , approx 460 feet towards North upto the branch road,
approx 300 feet towards South upto the other branch road,
with a length of approximately 600 feet towards the west
of the Chord Road "

We shall be grateful if you will kindly allot us the said land at an early date to enable us to start construction for housing the machineries which are being received

Thanking you,
